UTILITY ASSISTANCE

The Comprehensive Energy Assistance Program (CEAP) combines education and financial assistance to help low-income consumers reduce their utility bills. Services include utility payment assistance for electric, natural gas and propane.

CCSCT assigns priority to households with the least amount of income and the greatest energy costs. Priority is also given to **vulnerable** individuals 60 years and over, persons with disabilities and families with children five years of age or under.

RENTAL ASSISTANCE

The purpose of the Single Family HOME Program is to expand the supply of decent, safe, affordable housing to eligible low-income households. CCSCT is qualified to also provide assistance with set aside funding for Disaster Relief and Persons with Disabilities. This program is not considered, "emergency," assistance.

VETERANS FINANCIAL ASSISTANCE

The "Veterans' Financial Assistance Program" provides assistance to eligible Veterans, Veterans Dependents and Surviving Spouses. Through the program, CCSCT will assist beneficiaries with short-term and temporary financial Emergency Services to include: one-time utility payments (may include electric, gas, propane, water, sewer, trash, late fees), one-time rental/mortgage payment (may include rent, mortgage, late fees, application fees, security deposits).

This program is supported by a grant from the Texas Veterans Commission Fund for Veterans' Assistance. The Fund for Veterans' Assistance provides grants to organizations serving veterans and their families. For more information on the Texas Veterans Commission visit <https://www.TVC.Texas.gov>
