# Welcome to you and your employees!

Thank you for selecting vision insurance from TAC HEBP and Blue Cross and Blue Shield of Texas (BCBSTX)! Access to your new vision benefits is just a few weeks away! Since the effective date of coverage is fast approaching, we wanted to let you know a few important items...

- ID cards are on their way! Since the cards are sent directly to our members' homes, it may take up to 10 days for them to receive them. However, ID cards are not required to receive services. Once eligibility is entered into the system, members need only identify themselves as a BCBSTX vision insurance members, and then they can schedule their appointments at an in-network provider of their choice.
- **Finding a provider is easy!** Members can visit <https://member.eyemedvisioncare.com/bcbstx> look up providers near their homes or workplace. There is no need to register to view providers. Many providers accept online appointment scheduling. Members can also find a provider by calling 1-855-556-8796.
- In the event employees have any questions on registering or accessing their benefits, please call 1-855-357-5228.
