For the Period Ending

March 31, 2016

# COUNTY OF GILLESPIE, TEXAS

## Investment Portfolio Summary

In accordance with the Public Funds Investment Act Sec 2256.023, not less than quarterly, the County Investment Officer shall prepare and submit to the Commissioners' Court a written report of investment transactions for all funds for the preceding reporting period.

This portfolio is in compliance with the County of Gillespie's Investment Policy and applicable laws. The information contained in this report should not be used for any purpose other than determining compliance with the Act.

**General Statement:** The County continues to take a conservative approach to investment of county funds. Investment strategies are built on cash flow versus fund name. County funds are predominantly invested in TexPool and Texas Class ... investment services for public funds ... and certificate of deposits. Depository interest-bearing checking accounts are used more as clearing accounts than a type of investment. The General Checking Account (multi-fund account) ... interest-bearing, with a one dollar (\$1.00) threshold ... is attached to a sweep account with a \$25,000.00 required minimum balance. The GOB2013 Jail Project bond funds are also in an interest-bearing checking account, with a one dollar (\$1.00) threshold ... and attached to a sweep account with a \$25,000.00 required minimum balance.

With the Investment Policy approved January 12, 2015 ... fee office accounts of County Clerk, District Clerk, Justice of Peace No 1 and No 2 will be allowed to be attached to a single sweep account with a \$25,000.00 required minimum balance and the individual fee accounts will remain interest-bearing, with a one dollar (\$1.00) threshold.

#### **Section 5.02 Notification of Investment Changes**

It shall be the duty of the County Investment Officer to notify the Commissioners Court of any significant changes in current investment methods and procedures prior to their implementation.

## **Section 7**      **INVESTMENT STRATEGIES FOR FUNDS OR GROUP OF FUNDS**

### **Section 7.01**    **General Statement**

Funds of the County will be invested in accordance with federal and state laws, the County Investment *Policy* and written administrative procedures.

The County will invest according to investment strategies for each fund or pooled fund group. Investment strategies are built on cash flow versus fund name.

### **Section 7.02**    **Definitions**

**Bond Proceeds**      means the proceeds from the sale of bonds, notes, and other obligations issued by an entity, and reserves and funds maintained by an entity for debt service purposes.

**Funds**                means public funds in the custody of a state agency or local government that:  
a)                    are not required by law to be deposited in the state treasury; and  
b)                    the investing entity has authority to invest.

**Investment Pool**      means an entity created under Chapter 2256. PFIA to invest public funds jointly on behalf of the entities that participate in the pool and whose investment objectives in order of priority are:  
a)                    preservation and safety of principal;  
b)                    liquidity; and  
c)                    yield.

**Matching Approach**    an investment method that matches maturing investments with disbursements. This approach requires an accurate forecast of disbursement requirements.

**Pooled Fund Group**    means an internally created fund of an investing entity in which one or more accounts or funds of the investing entity are invested.

**Separately Invested Asset**    means an account or fund of a state agency or local government that is not invested in a pooled fund group.

**Section 7.03 General Fund Group ... A Pooled Fund Group**

The County's operating expenditures and revenues to fund those expenditures are accounted for in the County's general fund group (General F.10; Road & Bridge F.15; Road Precincts F.16, F.17, F.18, F.19). Most of the general fund group is pooled with other County funds for investment purposes unless specific restrictions are placed upon such funds. The investment strategy for the general fund group, as well as for the County's investment pool as a whole, is the Matching Approach.

The maximum allowable stated maturity of any individual investment relating to the general fund group is twenty-four (24) months. Prior approval of the Investment Committee must be received before investing beyond a stated maturity of twelve (12) months. Prior approval of Commissioners Court, upon recommendation of the Investment Committee, must be received before investing beyond a stated maturity of twenty-four (24) months.

**Section 7.04 Special Revenue Funds**

Operations that are funded with restricted revenues are accounted for as special revenue funds. Most of the special revenue funds are included for investment purposes in the County's investment pool except for some grant funds. Certain grant agreements require the use of separate bank accounts restricted for use of proceeds under the grant agreement. The investment strategy used for all special revenue funds not included in the County's investment pool is the Matching Approach.

**Section 7.05 Debt Service Funds**

The debt service funds are used to account for bond proceeds. The debt service funds are not pooled with other funds but are separately invested largely in an Investment Pool with assets available on demand.

**Section 7.06 Interest and Sinking Funds**

The interest and sinking funds are used to account for the accumulation of resources to fund periodic principal and interest payments on outstanding obligations. The revenue stream is predictable and the majority comes from ad valorem tax. The interest and sinking funds are not pooled with other funds but are separately invested. As practical ... funds may be invested in an Investment Pool account with assets available on demand.

**Section 7.07 Capital Project Funds**

(open)

**Section 7.08 District Clerk Registry Funds**

Registry funds (trust accounts, bonds) are held in trust by the Gillespie County District Clerk and invested by the County Investment Officer. Investment strategy used for this fund is to invest in an Investment Pool with assets available on demand. Existing investments made by the District Clerk ... prior to the "Cash Management Agreement" of May 2002 between the District Clerk and the County Treasurer ... are not required to be liquidated if these investments were authorized investments at the time of purchase.

**Section 7.09 County Clerk Registry Funds**

Registry funds (trust accounts, bonds, etc.) are held in trust by the Gillespie County Clerk and invested by the County Investment Officer. Investment strategy used for this fund is to invest in an Investment Pool with assets available on demand. Existing investments made by the County Clerk ... prior to the "Cash Management Agreement" of January 2006 between the County Clerk and the County Treasurer ... are not required to be liquidated if these investments were authorized investments at the time of purchase.

**Section 7.10(a) Justice of the Peace No 1 Funds**

The Justice of the Peace No 1 funds ... court costs, fines, fees, bonds ... are accounted as a fund balance account with initial deposits placed in separate checking account. As practical ... funds may be invested in an Investment Pool account with assets available on demand.

With the Investment Policy approved January 12, 2015 ... fee office checking accounts of County Clerk, District Clerk, Justice of Peace No 1 and No 2 will be allowed to be attached to a single sweep account with a \$25,000.00 required minimum balance and the individual fee accounts will remain interest-bearing, with a one dollar (\$1.00) threshold. Thus, maintaining all funds liquid.

**Section 7.10(b) Justice of the Peace No 2 Funds**

The Justice of the Peace No 2 funds ... court costs, fines, fees, bonds ... are accounted as a fund balance account with initial deposits placed in separate checking account. As practical ... funds may be invested in an Investment Pool account with assets available on demand.

With the Investment Policy approved January 12, 2015 ... fee office checking accounts of County Clerk, District Clerk, Justice of Peace No 1 and No 2 will be allowed to be attached to a single sweep account with a \$25,000.00 required minimum balance and the individual fee accounts will remain interest-bearing, with a one dollar (\$1.00) threshold.
